

Frequently Asked Questions

Do we stay together on the river as a group, or put another way, how can I have a quiet experience with so many people?

We have a river lead and sweep so that you don't get ahead of the lead or fall behind the sweep, but what you do in between is up to you. A program expert will be along the ride and stay with the group however, the river route is long and vessels spread out, people have varying paddle skill levels, and some paddlers stop to enjoy the sights or fish; you make this the experience you desire.

How much does it cost and what does registration cover?

The cost is \$800/SCRA Member and \$850/Non-member which includes lodging for 2 nights and 3 days on the water. The registration includes/covers shuttle, transportation of overnight bags along the route, all meals, starting with lunch on Sunday, through lunch on Tuesday, the amenities that happen behind the scenes that ensure the trip will be safe and rewarding, daytime and evening educational programs and other cool stuff.

Can children participate and can my child paddle the canoe or kayak by themselves?
